The Banker's in charge of:

### The Bank's money

Houses

Hotels

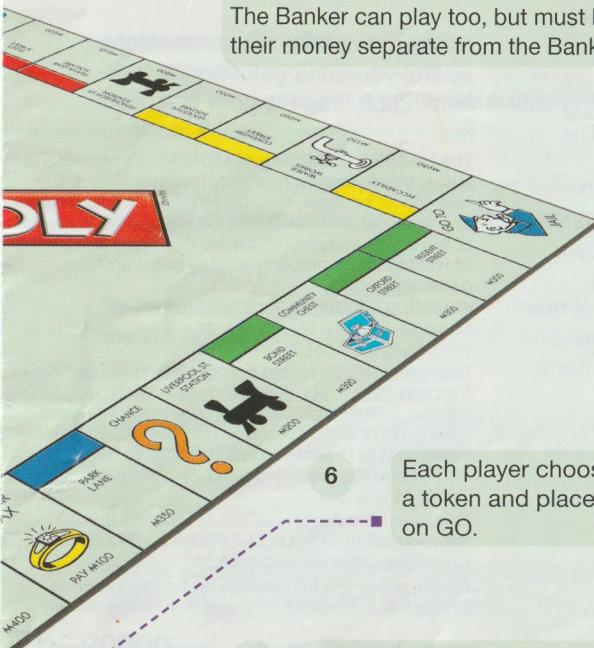

### Title Deed cards

### Auctions

The Banker can play too, but must keep their money separate from the Bank.

6

Each player chooses a token and places it on GO.

7

Place the 2 white dice next to the board. If you want to use the red Speed Die, see ADVANCED rules.

# PLAY!

### How to win

Move around the board buying as many properties (Streets, Railway Stations and Utilities) as you can. The more you own, the more rent you'll get. If you're the last player with any money when all other players have gone bankrupt, you win!

### Who goes first?

Each player rolls both white dice. The highest roller starts.

### On your turn

- 1 Roll both white dice.
- 2 Move forward that number of spaces.
- 3 Where did you land?  
Check THE BOARD SPACES section of this guide.
- 4 If you rolled a double, roll the dice again, and take another turn.

**Watch out!** If you roll a double 3 times in the same turn, you must Go To Jail!

- 5 Your turn is over.  
The player on your left goes next.

### Start playing!

That's all you need to know, so get going. Look up the spaces as you land on them.

## Action Spaces

### GO

If your move took you onto or past the GO space, collect ℳ200 from the Bank.

### Chance / Community Chest

Take the top card from the matching pile and immediately do what it says. Return it to the bottom of the pile when done.

### Income Tax / Super Tax

Pay the Bank the amount shown on the space.

### Free Parking

Relax! Nothing happens.

### Just Visiting

Don't worry. If you land here, just put your token in the Just Visiting section.

### Go To Jail

Move your token to the In Jail space immediately! Do not collect ℳ200 for passing GO. Your turn is then over. You can still collect rent, auction, buy Houses and Hotels, mortgage and trade while you are In Jail.

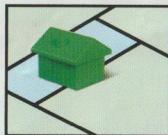

### How do I get out of Jail?

You have 3 options:

- 1 **Pay ℳ50** at the start of your next turn, then roll and move as normal.
- 2 **Use a Get Out of Jail Free card** at the start of your next turn if you have one (or buy one from another player). Put the card at the bottom of the pile, then roll and move.
- 3 **Roll a double** on your next turn. If you do, you're free! Use the roll to move. You can use up to 3 turns to try for a double. If you don't throw a double by your third turn in Jail, pay ℳ50 and use your last roll to move.

# BUILDINGS

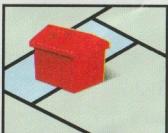

## Building Houses

As soon as you get a colour set, you can start buying Houses (you don't have to wait for your turn).

Pay the Bank the cost price on the Title Deed card and place a House on the Street.

Build evenly. You cannot build a second House on a Street until you've built one on each Street in the set. You can only have 4 Houses on a Street.

## Building Hotels

Once you have 4 Houses on a Street, you can pay to upgrade to a Hotel.

Pay the Hotel cost price on the Title Deed card, return all 4 Houses to the Bank, and put a Hotel on the Street.

You can only have 1 Hotel per Street. You can't add any more Houses.

You cannot build on a Street if any Street in its colour set is mortgaged.

## Not enough buildings?

If multiple players want the last House or Hotel, the Banker must auction it. Bids start at ⠼10.

## No buildings left?

You can't buy any until someone sells theirs back.

## Auctions

If you land on an unowned Street, Railway Station or Utility and you don't want to buy it, the Banker must auction it.

1. The Banker starts the auction by offering the space to everyone for ⠼10.
2. Anyone can increase the bid by as little as ⠼1 (even the Banker and the player who originally landed on the space).
3. The highest bidder wins the auction, pays the Bank, and takes the Title Deed card.

## What if no one wants it?

That's fine. No one pays anything.

## Deals & Trades

You can buy, sell or swap property with other players at any time.

You must sell all buildings on a colour set to the Bank before you can sell or trade a Street. You cannot sell (or trade) buildings to another player.

Property can be traded for cash, other property, and/or *Get Out of Jail Free* cards. The amount is decided by the players making the deal.

Mortgaged property can be traded at any agreed price. The new owner must immediately either:

**Repay the mortgage** (pay the Bank the unmortgage cost).  
**Or keep the mortgage** (just pay the Bank 10% of the mortgage value now).

# HELP! I CAN'T PAY!

## 1 Try to raise money.

If you owe money and can't pay, try to raise money by selling buildings and/or mortgaging properties.

### Selling Buildings

**Sell Hotels** to the Bank for half the cost price and exchange them immediately for 4 Houses.  
**Sell Houses** to the Bank for half the cost price. Houses must be sold evenly across the colour set.

### Mortgaging Property

To mortgage a property, you must first sell all buildings in its colour set to the Bank at half their cost price.

**To mortgage**, turn the Title Deed card face down and collect the mortgage value on the back from the Bank.

**To repay a mortgage**, pay the unmortgage cost to the Bank (mortgage value +10%), then turn the card face up.

Rent cannot be collected on properties that are mortgaged. However, the increased rent level can be collected on the unmortgaged Streets in a colour set.

The increased rent on unmortgaged Stations and Utilities may be collected in the same way.

## 2 If you're still in debt, you are bankrupt and out of the game!

### Do you owe another player?

Give them any *Get Out of Jail Free* cards and all your mortgaged properties.

The new owner must immediately either:

**Repay the mortgage** (pay the Bank the unmortgage cost).

**Or keep the mortgage** (just pay the Bank 10% of the mortgage value now).

### Do you owe the Bank?

Return all your properties to the Bank. Any mortgages are cancelled.

All your properties must immediately be put up for auction.

Return any *Get Out of Jail Free* cards to the bottom of the pile.

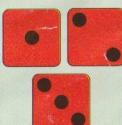

The remaining players keep playing until there is only one person left in the game, the winner!

# ADVANCED!

For a faster game, use the Speed Die and follow these steps...

- 1 Give each player an extra £1000 to start.
- 2 Once you've passed GO for the first time, roll the Speed Die with the two white dice every turn.
- 3 If you roll:

**1, 2, or 3**

Add this to your roll of the two white dice and move.

**Bus**

Choose to move using just one of the white dice or count both. So, if you roll 1 and 5, you can move 1, 5, or 6 spaces.

**MR. MONOPOLY**

Use the white dice as normal. Then, at the end of your turn, go to the next unowned property space and buy it or put it up for auction. If all are owned, go to the next property (not yours) and pay rent.

## What else is different?

The Speed Die doesn't count towards rolling doubles.

If you roll 3-of-a-kind (each die shows the same number), you can move your token to any space on the board.

If you are sent to Jail during your move, ignore the Speed Die. Your turn ends.

Don't use the Speed Die when attempting to get out of Jail.

Roll all 3 dice to determine the rent for a Utility (the Bus and MR. MONOPOLY don't count).

# TOP TIPS

To keep your game short and sweet, don't use house rules!

Always auction when someone doesn't want to buy the property they've landed on.

Never loan money to other players, or make deals not to charge each other rent.

Never put cash in the centre of the board; you don't get a bonus for landing on Free Parking!
